## 2 HOURS FREE WITH VALIDATION

**BEGINNING JULY 11TH, HERE'S HOW TO  
GET YOUR TWO HOURS OF FREE PARKING\*:**

- Shoppers and guests visiting our retailers, restaurants, food trucks and other venues will receive a validation card at their point of purchase.
  - Simply insert the validation card along with your parking ticket at the pay-on-foot stations, or the exit gates to receive credit for your first two hours of parking.
  - Guests visiting Regal Cinemas may still validate parking tickets to get an additional two hours of free parking.
- \* Only one two-hour free validation per transaction.

Also, this summer along with revamping our parking policies, Atlantic Station is investing \$2.5 million to make the parking deck easier to navigate, brighter and more guest friendly. Keep up with us on Facebook and Twitter for more information.
